**Safe Handling Instructions**

This product was prepared from inspected and passed meat and/or poultry. Some food products may contain bacteria that could cause illness if the product is mishandled or cooked improperly. For your protection, follow these safe handling instructions.

- Keep refrigerated or frozen. Thaw in refrigerator or microwave.
- Keep raw meat and poultry separate from other foods. Wash working surfaces (including cutting boards), utensils, and hands after touching raw meat or poultry.
- Cook thoroughly to 160 degrees.
- Keep hot foods hot. Refrigerate leftovers immediately or discard.

The Buffalo Guys Cooking Tips

Our naturally tasty ground buffalo cooks like beef and can be substituted for beef in any recipe.

You'll not only love the taste but you will be amazed that there is no fat to drain or skim off when cooking.

Buffalo meat cooks faster than beef so use a lower temperature and remember, "Low and Slow is the Way To Go."
